SECRET**Revision of paragraph:**

3. a. A Deputy Director may:
- (1) Approve new R&D efforts and amend, extend, renew or terminate continuing efforts which, based on the guidance given in paragraph 4. above, do not require consideration by the Deputy Director of Central Intelligence.
 - (2) Delegate approval authorities contained in paragraph 3.a. above to his Assistant Deputy Director.
 - (3) Delegate to subordinate Operating Officials authority to approve new R&D efforts and to amend, extend, renew or terminate continuing efforts, provided the action taken will not cause the total authorization to exceed \$50,000 in the current fiscal year.
- b. Deputy Directors will provide the Director of Logistics the names of officers to whom approving authority has been delegated. The signature of the approving officer on the document requesting procurement action will attest that all necessary approvals specified in this memorandum have been obtained.
